INTRODUCTION

Welcome to our first **toi – Rotorua Arts Festival**. Celebrating Rotorua art and Rotorua artists.

As lovers of the arts and in our role as encouragers, helping to develop the appreciation and knowledge of the arts, crafts and history of our area, the Friends of Rotorua Museum have taken on the mantle of festival producers to bring you **toi**.

Just a babe this year, yet we already have two major exhibitions, and a plump programme of talks, tours, workshops, demonstrations, open studios and even a quiz night for you.

We hope you'll join us at our opening gala at the Sir Howard Morrison Centre, get to know our artists at the Bay of Plenty Artists Exhibition and take the opportunity to visit a studio or two.
